URGENT! F.Y.I.

The 62-milers will leave at approximately 7:45, followed by the 35-milers at 8:00. The 16-milers at 8:30. In consideration of all our riders: Since all the riders go out on Muttontown Road, please take it easy along that stretch. It's hilly, and curvy. Follow the 3 foot passing rule! Be Courteous to your fellow riders!

There will be food, snacks and cold drinks at every rest area. We have taken extra lengths to pace the food, so there will be some for everyone! Please be mindful not to take more than you need.

REGISTRATION AREA MUST CLOSE AT 4:00 p.m. Until that time, there will be all kinds of food and snacks and cold drinks upon your return. As a courtesy to our cyclists,

there will be bike shops set up at EVERY rest area to help our riders along the way. They are graciously donating their time and effort.

Morgan Memorial Park wishes us to leave bicycles in the parking lot rest area. Please abide by their request.

Old Westbury Gardens is allowing Mansion Ride cyclists onto their property to support our event. Normally, there are no bicycles allowed. Please stay on the paved paths with your bikes, and do not attempt to cross over the gravel pathways.

Note that the entrance and exit to Old Westbury Gardens and the Science Museum are in different areas. In other words you will not exit, the same way you entered.

We have numerous marshals along each route. If you have a problem, wait on the route, and a marshal will come along. If you need immediate assistance, call 516-459-4646 or 516-729-8200, and we will dispatch a SAG van to take you to the nearest rest area. If you have a medical problem, please call 911.

The LIRR train leaves Syosset to Penn Station at 14 minutes and 47 minutes past each and every hour.
